Bruce –

The “situation report” on our epaosc.org/goldkingmine website, has a lot of details that might be of interest.

Here’s a link to that report

<http://epaosc.org/sites/11082/files/SITREP%204%20Gold%20King%20Mine%208-12-2015.pdf>

There should be an update today that covers current info as of yesterday. This link is for the day before yesterday-which is the most current online right now.
